

LEARN QURAN

THE EASY WAY

NATIONAL TEACHER TRAINING &
EDUCATION PROGRAM

+93 765 734 278 <http://www.ateo-af.org>

Implemented by ATEO (ASAS Training & Educational Organization)

Background

In our beloved country, **Afghanistan**, thousands of students study in schools and madrasas. However, many graduates still lack equal opportunities to learn the fluent and accurate recitation of the Holy Qur'an. The absence of qualified teachers and the limited innovation in Qur'an teaching have left many people deprived of the true blessings and understanding of the Holy Qur'an.

“**Learn Quran – The Easy Way**” has been launched to address this gap — introducing simple, practical, and structured methods that make Qur'an learning easier, more accessible, and of higher quality for everyone.

Project Overview

Scope: Train and support **approximately 18,000 Quran & Religious Studies teachers** across **23 provinces**.

Method: Teacher training workshops, multimedia tools, laptops, and ongoing technical support.

Current Status: Already launched on a **volunteer basis**, with strong demand from schools and teachers.

Challenge: No resources to cover essential costs such as salaries, transportation, office, and teaching equipment.

Beneficiaries & Impact

Direct Beneficiaries: 📌 **18,000 teachers** trained

Indirect Beneficiaries: 🎓 around **7 million students** benefiting nationwide

Scale of Change: ✨ A once-in-a-generation opportunity to modernize Quranic education and ensure consistency across schools and madrassas
